Textual Information(1)	To, The Listing Compliance Department BSE Limited Sub: Shareholding Pattern for the Quarter ended 30TH September 2026 Dear Sir/Madam, We wish to clarify the following regarding the minimum public shareholding (MPS) falling below 25% in the shareholding pattern filed for the quarter ended September 30, 2026. Shareholding Pattern of the Company (Pre and Post Allotment of Preferential Issue): Category Pre preferential issue Post preferential issue No of Shares % No of Shares % Promoters and Promoter Group (A) 3,15,872 55.04 1941972 88.27 Public (B) 2,58,028 44.96 2,58,028 11.73 Total (A) + (B) 5,73,900 100 22,00,000 100 Custodian (C) NIL NIL NIL NIL The company's shares were suspended from trading by stock exchanges where the shares of the company were listed. In January 2005, the Company made the necessary application to BSE for in-principle listing of shares issued on a preferential basis within the prescribed time limit. One of the pre-conditions for listing was that the shares of the Company be available in demat form. However, since the Company's net worth was negative, NSDL and CDSL rejected the Company's application to admit its securities in demat. Consequently, the securities issued on a preferential basis are yet to be listed on the stock exchanges The Company could not increase its public shareholding to the required 25%, since the securities of the Company had been suspended from trading by BSE. In the given circumstances, no mechanism was available for the Company to enhance public shareholding. During this period, the Company has made various submissions to BSE from time to time for revocation of suspension and has also submitted an application for listing of pending equity shares along with the revocation application. We trust the above clarifies the position. We seek your approval for the listing of 16,26,100 equity shares issued on a preferential basis and the revocation of suspension of trading of the Company's shares. We trust the above clarifies the matter.
